**AFFIDAVIT of PROBABLE CAUSE**

Your co-affiant, Det. Kevin Campbell, is a member of the Coatesville Police Department and has been employed as such for a period of ten years. Co-affiant Det. Kevin Campbell has been a member of the Coatesville Police Department's Detective Division for 7 years. Additionally, co-affiant Det. Kevin Campbell has been assigned to the Coatesville Arson Task Force created to investigate the arsons that have occurred in the City of Coatesville, Chester County, PA, since the beginning of 2009.

Your co-affiant, PSPE Fire Marshal Trooper John Clifford, is currently employed by the Pennsylvania State Police and has been assigned as such for a period of 17 years. Co-affiant is assigned as a Fire Marshal for Troop J. Additionally, co-affiant Tpr. John Clifford has been assigned to the Coatesville Arson Task Force created to investigate the arsons that have occurred in the City of Coatesville, Chester County, PA, since the beginning of 2009.

On 3-20-09, at approx 2351hrs, Coatesville Police & Fire Personnel were dispatched to 669 Madison St, in the City of Coatesville, Chester County, PA, for a house fire. Upon arrival, responding units discovered a two-seat porch swing on fire in the rear yard of the residence. A neighbor had discovered that the swing was on fire on the rear porch of 669 Madison Street. The neighbor then immediately alerted the occupants of the fire. One of the occupants then grabbed the flaming swing and threw it into the rear yard to prevent any further damage to the structure. After the fire was extinguished, the cause of the fire was ruled to be arson by co-affiant Tpr. John Clifford. There were 2 residents inside 669 Madison St at the time of the fire.

Approximately one minute later, at 2352hrs, residents at 107 & 109 Hope Avenue observed a subject attempting to light a fire to the rear of 107 Hope Avenue, in the City of Coatesville, Chester County, PA. The residents scared this person off then called police. The subject was observed lighting the contents in a trash can on fire to the rear of 107 Hope Ave. The trash can was positioned directly against the structure and underneath a portion of the residence that extended out from the south wall. Once successfully ignited, a fire would immediately involve the extended portion of the south wall and the interior portion of the residence. Co-affiant Tpr. John Clifford ruled this incident to be arson. There were 10 residents inside 107 Hope Ave at the time of the fire. Five were in the second floor apartment, three were in the first floor apartment.

You affiants spoke in person to several witnesses, their identities which are known to your affiants but who shall be undisclosed herein to protect their safety. Witness #1 observed a person, whom he identified as the person who is a firefighter and lives at #3 of the residence located at the corner of Charles St and W. 6th Ave, walking southbound on W. 6th Ave, towards Madison St, on 3-20-09 at approx 2340hrs. Witness #1 stated that the defendant was wearing a black jacket, black beanie hat, and dark blue jeans, and had his hands in his pockets. Witness #1 further stated that the person he observed has a sister who lives next Witness #1. Your co-affiants are familiar with the person as being Robert Tracey, who shall hereafter referred to as the defendant.

Witness #2, who was with Witness #1, described the defendant's clothing as being a black hoody (hooded sweatshirt), dark pants, and dark shoes or boots.

Witness #3, while sitting in a parked vehicle near 669 Madison St, observed a pale-skinned white male wearing a black jacket, black hoody or knit cap, black blue jeans or black pants, silver-framed glasses, possibly freckles, walking westbound on Madison St just west of W. 6th Ave. Witness #3 observed this subject walk out of his line of sight as the subject approaches 669 Madison St. Approximately 30 seconds later, Witness #3 observes this same subject come back east away from 669 Madison St. As the subject walks back past Witness #3's line of sight, Witness #3 shined his vehicle's high beam headlights on the subject thus illuminating his face. Witness #3 observed that the subject was approx. 5'8" and skinny build, had short dark brown or black hair. Additionally, witness #3 described the subject as not having a big nose but a triangular one, silver-framed glasses, and his hands were in his pockets. The description given

by Witness #3, specifically the glasses, triangular shaped nose, and physical size, matches that of the defendant according to your co-affiants familiarity of the defendant.

As the subject was walking away from 669 Madison St, Witness #3 notices a glow coming from the area of 669 Madison St. Witness #3 exited the parked vehicle he was seated in and walked towards 669 Madison St observing what he believed to be a fire in progress. Witness #3 looked back at the same subject who was now crossing W. 6th Ave heading further east towards the W. 5th Ave, Hope Ave area.

Witness #3 proceeded to the rear of 669 Madison St and observed a two-seat porch swing on the rear porch of the residence on fire. Witness #3 dialed 911 on his cell phone and notified the residents of 669 Madison St that there was a fire on their rear porch. The male resident at 669 Madison St removed the porch swing, which was on fire, from the rear porch just prior it igniting the rear porch structure.

Witness #4, resident of 109 Hope Ave, stated that he was in his bedroom on the second floor when he noticed the motion sensor lights on the side of the house turn on. Witness #4 opened the window and saw a white male approximately 5'9, 180-190 pounds, wearing a black hooded coat, light blue jeans, black boots, and wearing black gloves, with a grill lighter in his hands attempting to light the next door neighbor's trash on fire. Witness #4 yelled at the subject who then looked up at Witness #4. When the subject looked up, Witness #4 observed the subject to be wearing glasses. The subject then ducked his head and walked out towards Hope Ave then ran down Hope Ave towards Madison St.

Witness #5, resident of 107 Hope Ave, who observed the same person walking away from the trash can when the motion sensor lights came on, exited the residence and proceeded to the trash that was starting to burn. Witness #5 extinguished the smoldering fire. Witness #5 described the subject as wearing a black hoody, blue jeans, black boots and black gloves.

During a Mirandized interview on 3-22-09, the defendant did admit to being in the area at the time of the above fires.

BASED ON THE ABOVE FACTS AND CIRCUMSTANCES YOUR CO-AFFIANTS REQUEST THAT THE ABOVE NAMED DEFENDANT, Robert Tracey Jr, ANSWER TO THE ABOVE LISTED CHARGES.
